

# Energetek

MAKE THE BUSINESS DECISION  
TO CUT WHAT'S HOLDING  
YOUR COMPANY BACK.

## REFUND

Manufacturers are tax exempt even when it comes to energy. Energetek secures sales tax utility refunds to qualifying clients.

## ENERGY

Energetek fully manages your plant's energy risk.

- We build your energy profile
- We consider on/off peak hours, number of shifts, machines utilized, and seasonal energy rates
- We then conduct a bid with 30+ energy suppliers

Energetek protects you from market volatility and works alongside your team to make your next "power move".
